

Coastal Engineering Research Board  
Executive Session

3-4 March 2020  
Oregon State University  
Corvallis, OR

**Purpose:** Business meeting; Identify collaboration opportunities with OSU; Define strategic research to address Northwest Pacific Coast Processes and Coastal Resilience.

**Desired Exec Session Outcomes:**

1. Follow-up on Action Items from previous CERB
2. Learn about OSU Research Capabilities and Collaboration Opportunities
3. Target priority research needs in the Pacific Northwest to address USACE problems
4. Plan 97<sup>th</sup> Full CERB, Wilmington, NC and vicinity, July 21-22, 2020

**DRAFT Agenda** (Speakers and Topics TBD)

**Monday, 2 March, 2020**

1800	2000	CERB Registration (location TBA)
1830	2100	Board Informal Dinner, Holman's (1880 NW Juniper Place, Corvallis, OR)

**Tuesday, 3 March 2020**

0700	0800	CERB Registration
