

**BUILDER™ Patent License Application Announcement:**

Application submission period: March 1, 2017 – March 17, 2017

Next open application submission period: July 1, 2017 – December 31, 2017

The Engineer Research and Development Center, Construction Engineering Research Laboratory (ERDC-CERL) is currently accepting [BUILDER™](#) patent license applications. BUILDER™ is a web-based software application developed at ERDC-CERL to help civil engineers, technicians, and managers decide when, where, and how to best maintain building infrastructure:

<http://www.sms.erdcdren.mil/Products/BUILDER>

This patent license will allow licensees to sell and distribute BUILDER™ to commercial entities. The patent license application along with the criteria in which applications will be evaluated can be found at the link below:
